Since We Last Met:

At our June 10th regular meeting, it was decided that this year we would award the Louise Sheinman-Pask Memorial Scholarship of \$1,000 and only one other, the Community Service scholarship award for \$300. Hopefully, next year we will be able to go back to additional scholarships.

AG Richard Nereau informed us of a special meeting of the Rochester Deaf Rotary Club on June 24th. They will be having the President of RIT as their guest speaker. Regretfully, we will not be able to attend as this is our changeover and the last meeting of the year.

John Kyle reminded us that Saturday, June 14th, is our regularly scheduled LPGA Media Tent Setup. We are to meet at the Media tent at 9 AM.

Karyn Herman was our guest speaker. Action for a Better Community's Summer Camp Program. July 20th 420 students and advisors will be working on community projects. They need volunteers, such as: BBQ to welcome workers, placing banners on over-ramps, and financial assistance. The summer camp volunteers from all around the US will be staying at Monroe High School on Alexander Street.

District 7120 Website

There is an enjoyable video posted on the front page of the District Website. The video is all about our Rotary District with a voiceover by Don Alhart. It is well worth taking a look. Also, it is a good marketing tool when you want to show your friends a bit about Rotary. Also posted on the website is a powerful PowerPoint presentation prepared by our incoming District Governor Mike Leone. Another great marketing tool. Take a look!!!! You won't be disappointed.

June is Rotary Fellowships Month

The Rotary Fellowships program fosters international fellowship, friendship, and service among Rotarian interest groups. You can connect with Rotarians in other areas of the world who have similar hobbies or interests, share ideas and develop service projects. Join an existing Global Networking Group or start your own, and then tell your fellowship stories at club meetings.
