Since We Last Met:

September 25th Dwight Harrienger presented a program on his mission trip to Vietnam. He and his wife adopted a Vietnamese child a number of years ago. Through this experience, he belongs to an organization of families that have gone through a similar adoption. He described this organization and its functions. The group goes back to Vietnam periodically to assist in building projects and other areas of need.

Dictionaries are in for both TJ Connor and School #34 in the city. Dates are being set to present the dictionaries to all 3rd graders in these two schools sometime in October.

The Rotary clock has been ordered. Fundraising letters have gone out and an article has been sent to The Sentinel to promote donations to the project.

The Fall Weekend for District 7120 Youth Exchange students was last weekend. This is a co-sponsored event between Scottsville and Cal-Mum Rotary Clubs. Scottsville Rotarians hosted seven of the 29 students. It was a great event enjoyed by the students and the host families. We picked up the students on Thursday evening. Friday they went to Cal-Mum Elementary School and then to the Channel 13 TV studio. That evening the seven students and their host families (Balch's, Howe's, Snow's, and McGaffick's) met at the Balch home for an evening of food and fellowship. Saturday they spent mid-day at the Genesee Country Museum, then the seven went with their host families to a pizza place in Batavia (thank you Mary McGaffick for the good idea), the evening was spent at Cal-Mum elementary school roller skating. Sunday morning they returned to their host Rotary Clubs and their families. It was a great weekend! Photos are being passed around of the group on the Balch's deck. Thank you Karen Chan and Cindy Howe for all of the organization efforts for this weekend.

October is Vocational Service Month

Vocational service focuses on:

- Adherence to, and promotion of, the highest ethical standards in all occupations, including fair treatment of employers, employees, associates, competitors, and the public.
- The recognition of the worthiness of all useful occupations, not just your own or those that are pursued by Rotarians.
- The contribution of your vocational talents to the problems and needs of society.
- The values expressed in The Four-Way Test and the Declaration for Rotarians in Business and Professions, which promotes high ethical standards in the workplace, a central theme of Rotary throughout its history.

Your club's vocational service efforts can play a vital role in improving the quality of life for those hardworking members of the community who need direction and expertise. By participating in any of a number of vocational service activities — mentoring, career days, vocational awards, business assistance, or even just talking about your job at a club meeting — you can turn your experience into a resource for others.
