March was a busy month for Scottsville Rotary

March 2nd was our monthly Board Meeting. Our meeting centered around suggestions and ideas for fundraising. Our Scottsville Rotary Service Foundation funds are extremely low, and to be able to do the things we as a club are known for and want to do, we must increase our funds. The Community Business Directory and Scottsville Summerfest are the two fundraisers that are set. In addition, the Gordie Howe Memorial Golf Tournament will be coming up in August. Others were discussed.

March 9th regular meeting.

- President JJ discussed the March 2nd Board meeting fundraising discussions.
- Glenn Balch suggested that we support at least four good fundraisers per year. Then, if one falls flat, we reach in and grab one of the other ideas and run with it.
- The club made the decision to drop the Athletic Association sponsorship this year. Lee Loomis agreed to contact them and let them know of our decision.

March 16th four members of our club joined the WCHS Interact Club in an evening of sorting medical supplies at InterVol. It was a good evening and great to join the Interactors in one of their projects.

March 20th seven members of our club and two other volunteers went to Industry to help the residents and staff clean up and prepare their Greenhouse for the Spring season. This was a also a great outing and helped to show these young men that there are people out there that care about them and their future.

March 23rd regular meeting.

- President JJ announced the April 10th Latino Rotary anniversary dinner at St. Michael's Hall: 6PM and \$25 per ticket.
- Cindy Howe reported that the TJ Connor Gymnasium would be available May 14th for a "sock hop" fundraiser. The club will be discussing the possibility of pulling off a fundraiser of this type in this short of a time period.
- Cindy also reported that the Business Directory letters are at the printer. She will be distributing these to club members soon.
- Richard Nereau thanked the people who worked at Industry on their greenhouse.
- Richard also reported that he needs volunteers to perform mock interviews to the interested residents to help prepare them for their return to society.
- Richard will be donating a copy of "The Blind Side" to Industry in honor of President JJ as his gift to the President upon his return from vacation.
- Richard Nereau and Richard Stankevich have been asked to lead a breakout discussion group at the District Assembly. They will be reporting on the mentoring program at Industry.
- Richard also passed around a Literacy update.
- John Kyle reported that former Rotarian, Bob Baker passed away. A memorial will be at Union Presbyterian Church May 1st.
- Lee Loomis was our program tonight sharing entertaining comedy videos. However, his projector would not cooperate. Thanks for the effort Lee!!

March 27th District Assembly

- Five club members attended the District Assembly in Pittsford. The information was pertinent and helpful and the five members that were able to attend are ready and willing to share with you the valuable information gleaned that morning: President JJ, President-Elect Richard, Richard Nereau, Glenn and Diana Balch.

Check out the District website www.rotary7120.org to view a **YouTube video about our District** and Rotary worldwide. It's short and worth viewing. It is posted on the home page of the site.

Online Makeups

Have you considered your attendance percentage. Some of our members have been very successful at maintaining 100% attendance, others have nearly perfect attendance, and some find it difficult to attend many of our meetings. One way to increase your Rotary knowledge and increase your attendance percentage is to do an online makeup. It's an interesting option and I would recommend that all of us try at least one of these makeups ... even if we don't need them. Go to the link below and be sure you spend at least 30 minutes on their site to qualify for a makeup. Let's give it a try. If you interested in other links, let Secretary Diana know and she will give you the information.

This being **Rotary Magazine month**, you are encouraged to grab your April issue and read through. There are many interesting articles for your information and enlightenment. One of the articles is about Greg Mortenson and his humanitarian activities in Afghanistan and Pakistan. Diana Balch recently read his book, "Three Cups of Tea," and she highly recommend it.

Be sure to read this month's magazine. There may be a quiz at our next meeting.....

Upcoming Rotary Events:

- April 9, ROC City Uncorked**, A wine & food tasting expo to benefit Camp Haccamo & the Rochester Rotary Sunshine Campus
- April 23-25**, District Conference, Crowne Plaza, Albany
- June 6**, Rotary Red Wing Day at Frontier Field
- June 20-23**, Rotary International Convention, Montreal
- July 1**, President-Elect Richard Stankevich takes over the reins of Scottsville Rotary.

The Scottsville Rotary Services Foundation

Please consider making a tax deductible donation to the Scottsville Rotary Service Foundation. Your donation will be used to help enable the many service projects and activities our club's Foundation supports. Contact John Kyle to donate or for more information.

April is Rotary Magazine Month

The Rotarian has been around since 1911 as the medium to communicate with Rotarians and advance the program and Object of Rotary. A primary goal of the magazine is to support and promote key programs of Rotary.

The Four Way Test of the things we think, say or do:

- Is it the **TRUTH**?
- Is it **FAIR** to all concerned?
- Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
- Will it be **BENEFICIAL** to all concerned?

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST. The development of acquaintance as an opportunity for service;

SECOND. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to service society;

THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.
