

## Gordon (Gordie) Howe Memorial

Gordie Howe, a longtime Scottsville resident and Rotarian, was active in the community programs for youth. Gordie graduated from Wheatland Chili High School in 1974. During his high school years, he loved all sports and was an avid runner. Many knew him as one that would lend a hand to help the children in our community.

He loved his family, friends, and especially children. As an active member of the Scottsville Rotary Club, he knew he could make a difference in lives of others. He was a mentor to many and a friend to others. He believed that reaching children at an early age would have a positive influence in their development to becoming a well-rounded person.

Gordie also served on the Wegmans LPGA Board, participated in Camp Haccamo activities, and was instrumental in many fundraisers. Gordie received the prestigious Paul Harris Award for his Rotarian work.

Through your valuable support of this Golf Tournament, Gordie's memory may live on in support of our youth.
